

# IWA2009 Instructions for Oral Presentation

## 1. CONGRESS PROGRAM

Please visit the following website to confirm the congress program and your presentation time.

<http://www.is.nagoya-u.ac.jp/IWA2009/program.html>

## 2. TIME ALLOCATION FOR PRESENTATION

Total presentation time includes time for discussion.

Presentation time more than 30 minutes: includes 10 minutes of discussion.

Presentation time more than 20 minutes: includes 5 minutes of discussion.

## 3. EQUIPMENT FOR PRESENTATION

**We recommend invited speakers to bring your own PC.**

The room is equipped with a LCD projector. Connector from a LCD projector to the computer is mini **D-Sub15 pin**. Please bring the adaptor if your computer does not use this type of plug.

Please prepare your presentation data file with **PowerPoint**.

Just in case, please bring your back up data in USB flash drive or CD-ROM, and name it using your name. e.g. YoshidaK.ppt

The room is also equipped with a computer:

**Windows PC (OS: XP, Software: Microsoft PowerPoint 2003).**

If you would like to use this conference computer, bring your data file readable with this computer.

Please be sure to copy your data to the conference computer during a break before your presentation.

If you have any questions, support staffs are ready to help you.

If you wish to use Macintosh laptop, let us know by August.

## 4. PC DESK & QUESTIONS

If you would like to use a computer please ask the registration desk.

Any questions, please e-mail to: [iwa2009@info.human.nagoya-u.ac.jp](mailto:iwa2009@info.human.nagoya-u.ac.jp)
